APS/2018-19/007

Dear Parent,

08.06.2018

Alagar Public School welcomes all students and parents back to school after the holidays. We are looking forward to a very fruitful and productive 2018-19. As usual we continue to strive in our mission to provide the best possible educational program for our students. Our aim is to bring about a holistic development in the child and all the activities will be planned and executed with this aim.

June 5th is World Environment Day and this year India is hosting the event in collaboration with UN Environment on the theme '**Beat Plastic Pollution**'. We intend to make our school a '**Plastic Free Zone**'.

Plastic Free Schools is a program that aims to measurably reduce plastic pollution on school campus with a special focus on the reduction and ultimately the elimination of plastic bottles, plastic straws and utensils, and plastic food packaging. We solicit the cooperation of parents and request them not to send bottles, wrappers, packaging, bags, cups, plates, tumbler made of plastic or polystyrene. We also request parents not to send chocolates for birthdays.

✓ **Birthdays**

We understand the importance of celebrating birthdays in one's life. Even, our students' birthdays are celebrated in school assemblies/classroom with humming of a birthday song.

It has been observed that some of the parents celebrate their ward's birthday in school premises with expensive gifts, chocolates and cakes. It causes other students to insist their parents on celebrating their birthdays in the same manner.

Therefore, you are requested not to send expensive gifts, eatables, chocolates and cakes for your ward's birthday to school. Henceforth, no cake cuttings will be done in classrooms. On birthdays, only candies and toffees without wrappers may be sent to distribute among students and teachers. You may also donate a book for the library or a sapling to the school. Kindly do not send money to buy ice cream for the entire class.

- ✓ **School Timings** : **Please make sure that your child comes to school on time. All children are required to report to school five minutes before time.**

General guidelines:-

- Children are required to come in full school uniform- with shoes, socks and I-card throughout the Academic year.
- Please make a new Identity Card in case of loss, change in address and telephone numbers.
- Punctuality is essential at all times.
- School bag must be sent to school daily.
- Please label your child's belongings with Name, Class and Division.
- Distribution of gifts on your child's birthday/ any occasion is prohibited.
- Parents are requested to hand over an authority letter for the child's drop and pick up (if managed by any person other than the parent to the class teacher).
- Parents are required to leave their child at the gate. Parents are not allowed to meet children during school hours.

Supportive Parents! : Here are some ways you can be involved in your child's education.

- The day starts well if children get plenty of rest and have a good breakfast.
- Make reading a daily habit and limit screen time.

- Monitor your children's progress: Don't wait until Report Cards or till the Visiting Day, to check how your children are doing. Don't hesitate to contact teachers to find out whether your children are keeping up with assignments.
- Attend School functions to encourage and motivate your children.

Appointments: To meet Principal do take an appointment with the office or you may write to principal@alagarschool.in

Lets us make this year a promising one for all of us. Have an exciting year ahead!

Dear Parents,

This is to inform you that field trip is organized to broaden the horizons of the students, which provide a right combination of learning and entertainment.

We have planned to take students of Class II to **SIDHA AQUA GARDEN, SAKKAMPURAM, SERVAIKARANMADAM** for the field trip on **11.07.2018 (Wednesday)**. Children will be able to observe and enjoy the varieties of fish. Children should not bring any plastic items. The students of Class II are asked to bring snacks, lunch box, water bottle and cap with them by morning itself. The students will return to school by 3.30 pm. Parents can pick up their ward at regular timing.

Thanking You

Alagar Public School.
